# About Company

---

Established in 2000, Ostool Baghdad Co. Ltd. is a leading supplier of advanced medical equipment and healthcare solutions. With over 25 years of experience in the medical industry, we have built a reputation for reliability, quality, and technical expertise.

We specialize in equipping hospitals, clinics, and specialized medical centers with state-of-the-art technologies. Our deep understanding of the local healthcare market allows us to bridge the gap between global medical innovation and local needs, ensuring that medical professionals have the best tools to care for their patients.

# Mission

---

To elevate the standard of healthcare by providing high-quality, precise, and reliable medical devices. We are committed to supporting medical professionals with the latest technologies that enhance patient outcomes and streamline clinical workflows.

# Vision

---

To remain the most trusted partner in the medical equipment sector in Baghdad and across the region, known for our integrity, long-standing expertise, and commitment to after-sales excellence.

**Our  
Values**

# Milestones

---

Foundation of the company in Baghdad with the former name Baghdad Bureau for Medical Supplies

Signing our first exclusive distributorship with the Japanese physiotherapy manufacturer ITO

Ostool Baghdad became the exclusive distributor of Medical International Research in Iraq

# Hussein Almammoory

**CEO / FOUNDER**

---

Leading Ostool Baghdad is more than a business; it is a commitment to the Iraqi healthcare sector. Since our foundation, my mission has been to bridge the gap between global medical innovation and local needs. I am dedicated to ensuring that every hospital and clinic we serve is equipped with the reliability and quality they deserve to improve patient care.

COMPANY PROFILE PRESENTATION

# Benefits

---

What sets us apart is our legacy and commitment to our clients:

- **25+ Years of Legacy:** Since 2000, we have maintained a solid track record of stability and trust in the market.
- **Quality Assurance:** We partner only with reputable global manufacturers to ensure every device we supply meets international medical standards.
- **Expert Technical Support:** We don't just sell boxes; we provide installation, training, and reliable after-sales maintenance to ensure zero downtime.
- **Customer-Centric Approach:** We understand the unique needs of every clinic and hospital, offering tailored solutions that fit their specific requirements.
